Description

A stunning huge Farmhouse Refectory Dining Table, French in origin and made from solid Oak in the later part of the 19th Century. We have never seen one with the original extensions so a very rare table indeed. At 3m 70cm long with the extensions it would easily seat 14 and 16 when needed. The 2 extensions simply slide into wooden runner supports. Very strong and sturdy. Its in excellent original condition but at cost, it could be either, stripped and bleached if desired or the leaves could be stripped and re coloured to match the main table colour and finish, they have never been used so have not faded over the years. We have decided to leave these possible options to the buyer. Length with leaves 370 cm Length Without leaves 250 cm Width 84 cm Height 76 cm
