Description

Fabulous antique Swedish deep buttoned leather Chesterfield sofa still in the original leather, full of character, extremely comfortable & dating to around the 1890's period. Right now, we also have the matching pair of armchairs on a separate listing & it would make a wonderful set if one has the room. We are adding some images of the matching armchairs on bottom of this listing image gallery, but please also go to the other pair of armchairs listing to see more images & visa versa. I can't stress enough how comfortable this sofa is. Having the deep buttoned back with plenty of back support helps & so does all the original stuffing under the leather. The leather itself has all been professionally hand polished & colour enhanced. There is no damage to the leather, only natural ageing. The leather is hand studded on to the frame. I don't think this set will hang around long, because of the comfort, quality & general look. Please enlarge all the images to see the fantastic colour & details. Width - 75 inches, 190 cm Depth - 33 inches, 84 cm Height - 36 inches, 90 cm Seat height - 18 inches, 46 cm
