Description

A good example of a large solid sterling silver tea pot. It has a distinct Art Deco style octagonal shape with angular handle, turned finial and it stands on an octagonal foot. It is stylish and good quality, weighing a total of 734g with the handle. It is clearly hallmarked for Walker & Hall, Sheffield, 1918. It is in good condition for its age and the hallmark is clear. There are no major damages and it displays beautifully. There is a small mark on the side of the handle (see photo). There are some general faint surface scratches and a few light surface marks but nothing detrimental. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK delivery £10, rest of the world £25.
