Description

Superb and totally original is this 1930's Art Deco Triple Door Wardrobe with working key. Not only does this wardrobe look impressive with its heavily figured veneers which match and follow on each door but it's extremely generous in the storage it provides. Offering five good sized open cubed shelves to the left side and full hanging area to the right with another open top shelf extending the double width. All the locks and catches which are brass work well and have been cleaned. The hanging area has its original chrome pole. There's a full length mirror on the right door, some mild foxing to the edges but nothing unsightly. We've had the whole piece taken through our workshops and fully and professionally restored, everything works as it should, certainly this wardrobe won't disappoint. Breaks down into sections for ease, delivery quoted is for one man, we are able to offer two man at extra cost, please enquire. UK mainland delivery £120
