Description

This is a 1930s oak tower unit with lovely art deco polished brass feet, three fully adjustable shelves, all new toughened glass, parquet flooring, a functioning lock and twister handles. We have repolished this cabinet and added toughened 6mm glass as well as replaced the shelves - it now looks great. It would be a great shop display cabinet for shoes, bags, jewellery, and beyond. It would also be a great display cabinet for homes, galleries, museums, and filming sets. We're also able to hire our cabinets as well as sell, so if you need them in the shorter term, do contact us - we're happy to discuss our rental agreements W: 56cm (22")H: 188cm (74")D: 56cm (22")
