Depth = 66 cm (26.0")

Description

This wardrobe from the late 19th to the early 20th century is made of rosewood with a marquetrie breakfront in mahogany and original solid oak shelving. The piece has been fitted with a brass hanging rail and breaks down into flat sections for transport. One of the most profusely inlaid pieces we have ever seen, the level of detail is quite staggering. Four mirror fronted doors open to reveal three sections of shelves.
