Description

Gents silver trench watch, 1917. The watch has a hand-winding movement from the noted Swiss ebauche maker (supplier of blank movements) Adolph Schild which is working nicely. The watch measures 32.5mm diameter excluding the winding crown and the fixed lugs. The case is silver and there are hallmarks inside the case back for London (import mark), 1917. The front of the case is in good condition while the back has unevenness across it. The later acrylic lens is in good condition. The dial is in good condition. A new leather strap has been fitted. The watch comes in a new presentation box.
