Description

A superb large size Oak Centre Or Hall Table. Made in The French/Belgium border area around the mid 19th Century. These are commonly called Dolphin Tables due the carved dolphin feet and come in a few sizes this being the largest. The profusely carved base is crisp and very well executed out of solid Oak. It has a single large (full width) drawer to one side and of course it is the same on all sides to be free standing in the room. We have bleached this for a fresh lighter look but could be waxed to any colour or shade if desired. In excellent condition for the home. Width 140 cm Depth 92 cm Height 81 cm
