Description

Pair of antique side tables in mahogany, which could be used as lamp tables, side tables or bedside tables. They are in very good original condition & are well constructed with fine dovetails in the drawers & useful lower shelves which also help keep the legs tight together. The drawers are oak lined & have original brass handles. These tables have good shaping all around the front of the tops & are polished on the backs too. The tops & the legs have chamfered corners. I would date these tables to around the 1890's period, although they do very much have a Georgian look. Width - 15 inches, 38 cm Depth - 15 inches, 38 cm Height - 24 inches, 61 cm
