Description

Good late 18th century Georgian mahogany single drawer side table of unusual design. Square legs with nicely veneered sides and front with astragal moulding all round. Lovely grain to the top with nicely moulded edge. Pine lined drawer is nicely dovetailed with brass swan neck handles. I don't think the drawer had handles originally as there are cut out handle grips underneath. The table is in very good condition and retains its original finish with good patination. Nice mellow colour. SIZE; 32" wide by 18 1/2" deep by 28 1/2" high CIRCA; 1790 - 1800
