Price

Sold**Item Reference: SA714206****Date of manufacture: 19th Century**

Dimensions

Height = 51 cm (20.1")

Width = 72 cm (28.3")

Description

A traditional Victorian copper copper with twin handles. This antique copper is a generous size, has a good rim and lovely verdigris patination. The condition is good and the fact that it has drainage holes makes it an ideal garden planter. c.1890 Height: 20" (51cm) Diameter: 28.25" (72cm)

Internal Ref: D657
