Description

This is a Willian 4th dining table that seats 12. Good quality mahogany table on turned and fluted legs, brass cup casters and wheels. This is a recent purchase from an Edinburgh estate, the table having been fully restored approx 5 years ago by the previous owner and is in very good condition. Very elegant looking and would grace any dining room. I have some pictures out and inside, you will see how it dismantles for moving and making smaller when not needed as a full table. 287cm long with leaves in. 196cm leaves out. 135cm wide. 74cm high. Please do ask any question you may have..
