Description

These Sutherland tables are very useful items, because they are so slim when folded up, so will store away easily. This one is solid mahogany & antique early Victorian. It's in excellent original condition, with a nice warm colour, good patina, plenty of character & the top has a lovely grain of wood. The legs & stretcher are beautifully turned & it has the original brass capped casters. When open this table will seat four people. I would date it to around the 1840's period. Width – 35", 89 cm Depth – 7", 17 cm Depth one leaf up – 24", 60 cm Depth two leaves up – 41", 104 cm Height – 27", 69 cm
