Description

Gents early 1960s Lanco de Luxe wrist watch. The watch has a signed Swiss hand-winding movement which is working nicely. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is gold plated and it is in very nice condition. The signed stainless steel screw-on case back has evidence of an earlier thread-through style strap. The lens is in good condition. The signed dial is in lovely condition with original hands and a date display (not quickset). A new leather strap has been fitted. The watch comes in a new presentation box.
