Description

Gents 1940s Cyma Watersport wrist watch, lovely condition. The watch has a Swiss 15-jewel hand-winding movement which is working nicely. The movement is protected by an inner cover. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in good condition. The signed case back is signed Cyma Watersport. Despite the name, the watch should be kept away from water and moisture. The signed dial is in its original finish with original stylish hands, seconds sweep and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
