Description

A fabulous early piece of antique Christofle dating to around 1900. The hefty piece is made from silvered bronze fully marked on the side. The cut crystal is unsigned but I am certain it is Baccarat which it usually was when paired with Christofle and Cie. A stunning quality piece in excellent condition (one minuscule flake to the glass, insignificant but mentioned and shown for accuracy). 9 3/4" x 7 1/2" x 9 5/8" tall. Item:
