Description

This is a stunning Art Deco dressing table set by Karl Palda. Made in the Czech Republic between 1920-1939, during the Art Deco period. Consists of one large cologne atomizer, one loose powder jar with lid. All the pieces are in excellent condition with wear consistent with age and use. There are minor scratches on a few of the red accents, but no damage to any of the glass. Each piece is made from heavy clear glass with ruby red accents consistent with Karl Palda designs and the Art Deco period. These pieces are becoming increasingly hard to source and more so in good condition. If you appreciate and admire Art Deco you without doubt will love these pieces.
