Description

For your consideration is this superb 1930's Art Deco French chrome bar cart. Definitely one of the better examples we've had. Features two tiers of mirrored shelves with an extra lift off tray which sits neatly in the top. On the bottom level is an extended area to keep bottles, perhaps a nice Art Deco Soda Siphon would look nice here or ice-bucket. This is a very sturdy piece and of high quality, the wheels work as they should without any squeaks. Minimal signs of ageing which makes us think it's not had a lot of use.
