Description

A really lovely arch-topped bracket clock by the World renowned maker WINTERHALDER & HOFFMEIR. The beautifully French-polished rosewood case with inlays and boxwood stringing has brass carrying handles to the sides and brass splayed bracket feet. The arched brass dial has a silvered chapter ring with engraved black Roman numerals, a subsidiary "rise-and-fall" dial, and gilt brass spandrels. The 8 day movement strikes the quarters with a "Ting-Tang" strike and the number of hours on the hour. It has just been fully serviced by our BHI registered staff and carries our usual 12mth full parts and labour guarantee. A fabulous clock that is as clean as a whistle. All cards accepted.
