Description

A very handsome pair of Victorian pole screens. The images on the screens are slightly different. In each case, both are lyrical and charming. Being neutral in colour they would bring elegance to any room. The screen panels are in excellent condition and can still be moved up and down the pole with ease. There is some wear to the bases as is to be expected over time, and an excellent surface repair to one pole half way up which is hardly visible even close up. Dimensions: Height: 140 cm Base width: 36 cm Screen width: 37.5 cm All of the items that we advertise for sale have been as accurately described as possible and are in excellent condition, unless otherwise stated. Please note that we are also able to arrange a full shipping service for our customers. We offer a 14 day returns policy. In the unlikely event that you are not completely satisfied with your purchase we will issue a full refund of the purchase price less the return transport costs with an approved courier once an item is received by us in the same condition as it was originally dispatched.
