Description

Gents 1950s Cyma wrist watch. The watch has a signed hand-winding movement, R459, which is working nicely. The watch measures 33.5mm diameter excluding the later winding crown and the lugs. The case is chrome plated and it is in good condition. The stainless steel case back is signed Cyma to the inside. The lens has light marks if you look very closely. The signed textured dial is in its original finish, which has darkened over the years, original hands and a second sweep. A new leather strap has been fitted. The watch comes in a new presentation box.
