Description

Beautiful condition, professionally serviced with a 12 month warranty. This is a very fine and exquisite example of a ladies wristwatch made by the world renowned premier Swiss maker Tudor which is owned by Rolex. It has a platinum case surrounded by diamond and then more diamonds to the the most beautifully designed shoulders, very much Art Deco in design. As you would expect from the diamonds are bright, crisp and evenly matched and has approximately 4cts of diamonds. It has its original solid 9ct white gold bracelet which is quite rare. It is quite stunning with a white dial which is in perfect condition and gilt hands. A new glass has been fitted and it has been cleaned and polished so it is absolutely pristine. The case is large and measured 24mm in diameter excluding the winding crown it will fit a maximum wrist size of up to 6.5 inches or 164mm. The back of the case is inscribed with the year it was made of 1934 which is a really nice touch. The manual winding movement is an absolute gem, sparkling clean and in like new condition. As you would expect from Tudor the watch is fully marked on the dial and movement. It comes complete with a premium quality...
