Description

Aside the very stylish aesthetics of this clock, when you pick it up you find it's surprisingly heavy. Quite slender in depth and overall nice size for either mantel or desk. Eight day movement which we've had serviced and so comes to you in good working order. On the dial it reads 8 Days. CONDITION Good. Overall the chrome work is excellent with little signs of wear and is still bright and crisp. There is some markings to the dial which authentic it's age we don't feel distracts from the clock but have priced to reflect this. FREE UK DELIVERY
