Description

A pair of fine George II period walnut side-chairs; the backs richly carved with bold scrollwork, interlaced ribbon-work and acanthus leaves; the broad stuff-over seats reupholstered and covered in double-nailed pale rose brocade, on cabriole legs with carved acanthus knees and carved pad feet. Circa 1750 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
