Description

No: 10808 A particularly good George III highly figured Mahogany Straight Front Chest of drawers, the moulded, crossbanded top above two half width and three full width graduated drawers, the whole raised on shaped bracket feet. The drawers are all edged in Boxwood cockbeading which both protects the edge of the drawers and provides a very satisfying contrast to the flame figured Mahogany. This also ties in with the single line of Boxwood inlaid to the top. This chest retains all the original swan neck handles and backplates. Circa. 1775 Price: £3,950-00p.
