Description

A good example of a solid Sterling Silver sugar caster. It is stylish and good quality piece, weighing approximately 168g. It is hallmarked for Josiah Williams & Co, London, 1936. It is in good condition for its age. There are some faint surface marks and a few light surface scratches and there are some small old dents and dinks around the body (see photos) but overall it displays well. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK delivery £6, rest of the world £20.
