## Description

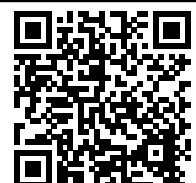

George III period octagonal mahogany cellarette; the panels all with boxwood strung edges, fitted with brass carrying-handles and on splayed tapered legs; the interior re-lined with baize. Nicely grained mahogany of good colour and condition. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
