Description

Very high quality, very striking looking 1930's Art Deco Czech glass decanter set. Features a classic shape decanter with stopper and six decent sized tumbler glasses. The whole set is in lemon yellow glass with black enamel overlay with etching to highlight the detailing. A classic set which is beautiful and will make an awesome addition to any Deco barware collection. All in great condition too, just some minor clouding to the base of the decanter and some very mild surface marks again to the base which are normal signs of age related pieces. FREE UK DELIVERY
