Description

A magnificent set of original Art Deco cloud back walnut dining chairs by H&L Epstein, dating from the 1920-30's. Consisting of six side chairs and two carver armchairs, it's extremely rare to find these in such a large number. We have had the set fully restored to the highest standard. The walnut frames have been stripped and re-polished, showing a beautiful colour and stunning grain patterns. They are all sturdy and sound, with brand new cream upholstery. We also have a matching two seat cloud back sofa by Epstein, that will be added to the site in the next few days.
