Description

Very fine quality & practicable antique coffee table with two nesting tables underneath dating from the 1930's period. These tables are in excellent condition & have a lovely colour. The table tops are burr walnut with carved shaped edges & more carvings on the tops & bottoms of the solid walnut legs. They are very much Queen Anne style & the way the two nesting tables slide under the coffee table is a very clever adaption, saving lots of space. Width – 42 inches, 107 cm Depth – 20 inches, 51 cm Height – 20 inches, 51 cm
