Description

Large late Victorian Swiss Black Forest Terrier desk tidy / box, circa 1900. A charming character, fluently carved in solid walnut with fine details. Mid brown glass eyes, brown leather collar. The head lifts to access the brass bowl inside. Its use unclear, a desk tidy or smokers companion, certainly a bold variation on the more commonly found and smaller inkwells. In excellent condition with no damage or repair. Height 4,3/4" or 120mm, weight 377 grams.
