Description

For the Welsh language enthusiast! Here we have a superb Victorian painted pine bench marked for the chapel at Llanfair. The full name of this small Anglesey community is in fact the astonishingly long name of Llanfairpwllgwyngyllgogerychwyrndrobwlllantysiliogogoch, which is the longest place name in Britain. This wonderful large bench is divided by seven turned wooden arms. This is a very solid piece that would look good in a waiting room or bar setting. This is a unique piece of furniture and would make real statement piece. You will not see another piece like it, make it yours today!!! The piece is later hand decorated.
