Depth = 23 cm (9.1")

Description

A really outstanding long-case clock by DILGER & BARCLAY of GLASGOW. The flame mahogany case is to die for, retaining its original French polished finish and with a deep, rich patina that only age can produce. The 8 day movement strikes the hours on a bell with a nice resonating tone. It has just been fully overhauled by our BHI registered staff and carries our usual 12 mth. full parts and labour guarantee. The 12" round dial has a gilt chapter ring with black Roman numerals and blued steel hands. There are subsidiary seconds and date dials to the centre. It is signed "DILGER & BARCLAY. GLASGOW" to the centre. One of the nicest long case clocks we have ever offered for sale. Regrettably our photos don't do justice to this beautiful clock. All cards accepted.
