Description

An attractive antique double wardrobe dating from c.1880, in very good condition for its age. A slightly pitchy pine, with lots of knots and character. It will look lovely once wax polished - showing its warm colour tone. The cornice, sides and bottom are all curved, making this a very attractive piece. It also has panelled double doors with a diamond shape indentation. The original lock and key are in good working order. The door's external hinges allow them to open fully. This wardrobe totally dismantles for delivery so will go up any stairway, and with an internal depth of 20", it is nice and deep for hanging large coats/suits etc. The fitting of a new brass hanging rail, is included in the price, or if you prefer: a shelf at the top and the rail below. Currently in bare wood having recently been stripped. Can be purchased as it is for £1025, or waxed for £1125. Height 76.5", width 64.5", depth 23", internal depth 20"
