Description

A Charming Pair Of French 'His & Her' C19th Boudoir Chairs. Slipper Back design with a lovely ebonised and stud detail show frame. Upholstered in an ecclesiastical gothic tapestry fabric. Lovely worn and faded velvet fabric to their backs. Lower section finished with braiding and a tasseled apron. Standing on legs with inset castors. The ladies chair has some wear to the seat where there are two holes and one to the top of the backrest. This all adds to their charm in our opinion. Wear commensurate to age being around 150 years old. They would make a great addition to any bedroom, lounge, study, bathroom or hallway. Seat height 37cm
