Description

A very good Mid C19th French Ebonised & Gilt Gesso Murano Glass Mirror. Having a classic pediment with egg and dart detail with inset glass with central Fleur-de-lys decoration. The cushion frame is profusely decorated with gilt and ebonised gesso. The central bevelled mirror is surrounded by pretty cut glass to its margins and corners. A really lovely and highly decorative mirror which looks totally original and untouched to its back. Rare to find in this condition and a great statement piece for any room.
