Description

How wonderful to find a graduated pair of serving trays, perfect for a drinks tray, they are both great sizes, the larger one spanning 24" in width. Both bases are made from solid English Oak and mounted with a central presentation shield with complimentary smaller shields integrated back and front to the silver plated gallery. The trays sit on four original feet, each with matching hallmarks with the silversmith's mark HS & H. Either side has an attractive oval cut-out handle. Dating to c.1890, late Victorian in era, they remain in excellent condition. The large example measures 24" x 17" x 3 5/8" tall each end. The smaller example measures 18 1/2" x 14 1/2" x 3 1/4" tall at each end. Item: 41936 FREE Worldwide Registered Airmail Directly From London, England
