Description

This lovely PAIR OF ENGLISH CLASSICAL POTTERY BLUE & WHITE TRANSFER PRINTED PLATES date from circa 1810. Although not marked, other than an impressed number 2 on one plate and an impressed number 3 on the other, it is generally accepted, when one considers the background foliage between the cartouches, that these were from the Spode Factory. The central image shows ZEUS IN HIS CHARIOT. There is an old, short hairline on the rim of one PLATE (please see close-up photograph). There is no restoration. Diameter: 9.75 inches (25 cm) Delivery within the UK is included. We are happy to quote for Overseas Shipping on request.
