Description

This is a mahogany framed double Bergered 3 seater couch .Circa 1930. Good quality frame ,ball a claw feet, upholstery a bit worn but very usable . Therre is a small bruise hole in the back but as it is double bergere it can not be seen from the back and is covered by the cushions from the front its pointed out by an arrow in the pictures so small but I like to point out any defects no matter how insignificant. A lovely comfortable couch in nice condition.
