Description

Elegant Regency period mahogany sofa-table; the drop-leaf top with an ovolo-moulded edge, fitted with two real and two dummy drawers on plain end-standards with a high stretcher and splayed legs with brass box castors. Circa 1810 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
