Description

This generously sized Victorian toleware tray with shaped border is beautifully painted with roses, passion flowers and an exotic bird. This is surrounded by a raised rim which is painted with foliage and flowers. The condition of the tray is good and the central painting bright and clear. There is some slight wear to a small area of the rim as can be expected with an object of this age. This would make a very decorative and unusual drinks tray or a lovely item to display. c. 1870 Width: 26" 66 cm Depth: 19.75" 50 cm Height: 1.5" 4 cm
