Description

Very stylish pair of antique Swedish satin birch armchairs of Biedermeier style dating from around the 1910 period & in fabulous condition. These armchairs have generous proportions & are very comfortable. They have just arrived from Sweden, been re-polished & re-upholstered in our regular natural cotton fabric. The upholstery is fully sprung & double piped. The satin birch has that usual silky looking grain. These armchairs have arched backs, tapered out convex arms with decoration on the fronts & sit on sabre legs. In case you think you have seen these before, we actually bought four of them over from Sweden & sold the first pair we upholstered a few weeks ago. Width – 31 inches, 78 cm Depth – 26 inches, 67 cm Height – 34 inches, 87 cm Seat height – 16 inches, 42 cm
