Description

A fine example of a Georgian helmet style solid Silver milk or cream jug with an elegant curved handle stood on a square footed base. The jug is stylish and good quality and a particularly large size weighing approximately 226g. It is clearly hallmarked for Haseler Brothers, Chester, 1895. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint internal and external surface marks and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
