Description

Antique Cyrano full hunter pocket watch. The watch has a Swiss seven jewel (two adjustments) stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is the gold plated Star model from the Dennison Watch Case Company, a Birmingham based manufacturer who supplied various watch makers with cases. The case is in lovely condition. The winding crown pushes in to open the front cover. Inside there is a glass lens which is in very good condition. The signed dial is also in super condition with blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes in a new presentation box.
