Depth = 12.5 cm (4.9")

Description

A very finely made apprentice fall front desk in mahogany. The fall front and all the drawers, interior and exterior, are strung in satinwood and the fall front has a marquetry and strung conch shell. The piece terminates on bracket feet. In every way it bears the detail of a full-size piece of the Georgian era. Absolutely the best apprentice piece that we've seen.

Internal Ref: A2166
