Description

This GRAND COUNTRY HOUSE MAHOGANY ESTATE DESK dates from circa 1770. It is of generous proportions, being approximately 3 feet square. The DESK is in two parts - the top and the stand and, by repute, originates from a Norfolk Country House. The legs are chamfered to the inside, have the original inset castors and decorative carved detail to their tops and to the inner base. There is a small drawer to the side which could either be an addition or a replacement. The well-proportioned gallery is in good, original condition. If only one knew the people who had used this Desk over the last 250 years, abundant stories could be told. Height: 43 inches (110 cm) Width: 37.5 inches (95 cm) Depth: 36 inches (92 cm)
