Description

Antique 1919 Waltham full hunter pocket watch. The watch has a high grade 15 jewel nickel movement with nicely patterned plates, Church 1892 patent regulator. The movement is fully signed and the serial number 22741030 which dates it back to around 1919. It is working nicely and is all protected by an inner hinged cover. The watch itself measures 50.7mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and is the Moon model made by the Dennison Watch Case Company. The case has light surface marking from use but overall it is in nice condition for a 1910s piece. The winding crown pushes in to release the front cover. Inside there is an acrylic lens which is in nice condition. The signed dial is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
