Item Reference: SA723348**Date of manufacture: Victorian**

Description

English antique copper powder flask inscribed The Hon ble, E. Coke Sep tr, 1 ft, 1838 A very large heavy quality flask, 10" or 260mm long, 503 grams, the tight fitting cover also served as the measure (about 6 drs of powder) for shot gun, rifle, blunderbuss, small cannon etc. Large rounded seam around the perimeter, heavy brass shoulder and seamed brass spout and cover. In excellent sound condition with good polished patinated surface, small indentation on the seam at the base. Guaranteed old and original. This flask may well have been the property of the Horourable Edward Keppel Wentworth Coke 1824-1889, who was a soldier and Whig politician.
