Description

Very decorative antique Victorian walnut jardiniere stand dating from around the 1860's period & in very good condition, with all the original pieces of wood intact. It's surprisingly stable, given the design & general structure. The marble top sits in a circular burr walnut surround which has a walnut pierced frieze below. This sits on three turned walnut uprights, carved at the bases. They in turn sit on well shaped carved walnut legs & feet. There is a circular burr walnut bottom tier which helps keep the legs tight together. This also has a turned finial in the middle. Please enlarge all the images to see all the fine details & the lovely mellow colour. Width base – 20 inches, 51 cm Width top – 18 inches, 45 cm Width marble – 10 inches, 26 cm Height – 32 inches, 81 cm
