Description

I guess the main photo I have chosen is the back of this charming storage-bag, but I couldn't resist featuring this side of the bag as it is so visually exciting. The front of the bag is superb in its own right - fine soumak-weave creating horizontal bands of beautiful vegetable colours. Woven by Qashqa'i nomads around the last quarter of the nineteenth century, the bag is in excellent condition. Size: 70cm x 64cm (2' 4" x 2' 1").
